About the Author

Dr. Martha Boone is one of the first one hundred women board certified in urology. After 23 years of education, she practiced academic urology for five years and private practice for twenty-four. She was named TOP DOC in urology in Atlanta for over a decade. Her first novel *The Big Free* fictionalizes her first six months at Charity Hospital in New Orleans. Her current book, *The Unfettered Urologist*, is nonfiction and explains the pearls of wisdom she never had time to include in a short office visit. Her third book, *Mother Charity*, is the sequel to *The Big Free*. Dr. Boone retired to write full-time and travel with her husband.
