

***The Unfettered Urologist*: Endorsements**

“Part memoir, part instruction manual, and above all educational, Dr. Boone shares in *The Unfettered Urologist* her insight into common urology problems with the great integrity I’ve witnessed for 35 years. A must read for patients and doctors alike.”

—**Raju Thomas, M.D., FACS**

President, AUA

Professor and Chair of Urology
Tulane University Medical School

“In *The Unfettered Urologist*, Dr. Boone offers quality information with entertaining stories about common urology problems. With the ever increasing shortage of practicing urologists, it is more important than ever that primary care providers and their patients have accurate information at their fingertips. I’ve known Dr. Boone since 1986 and admire her as one of the early women in urology.”

—**J. Christian Winters, M.D., FACS**

H. Eustis Reily Professor and Chairman of Urology
LSU School of Medicine

“*The Unfettered Urologist* is a medical memoir filled with reminiscences, worldly wisdom, and empiric knowledge providing insight into the ever-changing field of urology. Dr. Boone is an incredibly gifted physician and surgeon, and a gifted writer as well!”

—**Meera S. Garcia, M.D.**

Chief Medical Officer
Advantia Health

“With *The Unfettered Urologist*, Dr. Martha Boone brings back the empathy, humanity and stories of hope for patients often missing in modern medicine. A fantastic resource for patients (and for practitioners as well), I’m so glad she is sharing her expertise and unique viewpoint with all of us through this book!”

—**Dr. Nicole Cozean**

Founder of PelvicSanity Physical Therapy

Author, *The IC Solution*

“Dr. Boone presents medical information in a clear format that is easily accessible by the public. Her advice is tailored for the patient’s understanding of diseases and their treatments, with the patient’s safety always her primary concern. Though patients are her target audience, I have learned much from this book.”

—**Richard E. Barlow, M.D.**

“Dr. Boone has been a trusted urology colleague for nearly 30 years. The skill she brought to her practice she now brings to this part-memoir, part-textbook for patients. As a senior partner in one of the largest urology groups in the nation, one of the biggest problems we face is misinformation. Her common-sense approach will appeal to patients who need a clear path through a confusing, often biased world.”

—**Carl C. Capelouto, M.D.**

Georgia Urology

“*The Unfettered Urologist* is a valuable resource for those looking to address the source of common urology issues. Dr. Boone approaches these difficult and sensitive subjects with a wealth of experience, compassion, and a thorough understanding of the complex nature of urologic dysfunction. Her book provides hope and options.”

—**Elizabeth Kemper, PT, MPT, WCS, PRPC**

“This book is a unique personal account of a lifetime of experience as a doctor of urology. It represents the humanistic side of the patient-physician interaction and what a very wise person has learned through the travails and successes of her career. Dr. Boone also includes aphorisms and teachings that apply across the domain of the healing arts.”

—**Roger Dmochowski, M.D., MMHC, FACS**

“Having the good fortune of being a colleague of Dr. Boone for many years, I recognize how well *The Unfettered Urologist* embodies the heartfelt approach that she gave to every patient. A must-read, and the next best thing to being her patient.”

—**Scott Miller, M.D., MBA**

“Brilliant storytelling and raucous humor. Dr. Boone’s take on urology is an unexpected total reading experience. Masterful and uniquely written with insider information. A published work worthy of every man and woman.”

“Dr Boone has taken various topics in the arcane subspecialty of urology and stitched them together in an organized reference using her 35 years of experience, a problem-solving attitude, empathy for patients, and good humor.”

—**Barbara N. Croft, M.D.**

“What an enjoyable, informative read! Part autobiography, part urology handbook, and all educational, *The Unfettered Urologist* gives valuable information about common urology issues, as well as witty insights on life.”

—**Susan Jones Kalota, M.D.**

“Just as Dr. Boone beautifully captured the essence of life as an intern at Charity Hospital in New Orleans in *The Big Free* (I was there), *The Unfettered Urologist* captures the virtues of old-school doctoring together with state-of-the-art urology. This unique work offers her vast wealth of knowledge and personal experience, creating a must-read for urology patients and the doctors who treat them.”

—**Frank N. Deus, M.D., FACS, MMM**

Urologist and Healthcare Administrator

“Urology problems? Stop searching Dr Google or WebMD and check out Dr. Martha Boone’s *The Unfettered Urologist*. It is incredibly informative, clear, and a must-read for anyone who urinates. This profoundly helpful resource combines 35 years of experience in urology to answer your most ‘burning’ questions.”

—**Vishal Bhalani, M.D.**

“I’ve been a primary care physician for 30 years and wish I had had this book to refer to. It would have made me look like a star and saved my patients time, unnecessary visits to specialists, and money. Dr. Boone provides invaluable guidance that not only helps doctors but enables patients to take better care of themselves! This book will be my ‘go to’ for common urological issues.”

—**Frenesa K. Hall, M.D.**
